D/101, Haware Gulmohar, Sector 20, Kharghar, Navi Mumbai - 410210

CAREER OBJECTIVE

Seeking an opportunity to contribute as a Cybersecurity Analyst, leveraging my technical expertise and experience in freelance web development. I am eager to enhance security measures and ensure the integrity of IT systems while supporting web development projects. My goal is to align my skills with the organization's objectives, delivering robust solutions and seamless user satisfaction.

KEY COMPETENCIES

Demonstrated ability to quickly grasp new concepts and technologies, efficiently integrating them into workflows to enhance productivity.

Experience with tools like Microsoft Office, Adobe Creative Suite, or industry-specific software and Proficiency in languages like Python

Strong verbal and written communication abilities, Aptitude for identifying issues and developing solutions

EXPERIENCE

Co - Founded & Developed Bookurphone.com

Aug 2023 - Present

Co-founded and developed Bookurphone.com, a startup currently under development and awaiting funding. Designed and implemented a franchise-based model that partners with local vendors to deliver gadgets to customers' doorsteps within hours. Managed end-to-end development, including business planning, vendor negotiations, and logistics coordination. Spearheaded efforts to secure funding and expand the business model to new markets.

Freelance Amazon Seller Profile Manager

Jan 2024 - Present

Managing Amazon seller profiles for multiple clients, ensuring optimal performance and customer satisfaction. Handled technical issues, providing timely and effective solutions to maintain seamless operations. Oversaw inventory management, ensuring accurate stock levels and timely replenishment. Conducted product analysis to identify trends, optimize listings, and improve sales performance.

Freelance Web Developer & Social Media Marketing Assistant (SMMA)

Aug 2022 - Present

Developed and maintained websites for various clients, ensuring responsive design and optimal user experience. Implemented SEO strategies to improve website visibility and search engine rankings. Managed social media accounts, creating and scheduling content to enhance brand presence and engagement.

EXTRACURRICULAR ACTIVITIES

Cyber Security Enthusiast

Passionate about exploring the latest trends and developments in cybersecurity. Actively participate in online forums, attend webinars, and engage in self-study to enhance knowledge and skills in this field.

Community Engagement (CE) Student

In my role as a Community Engagement student, I volunteer for various local projects, organizing charity events and participating in service initiatives. I lead a campus organization focused on community outreach, planning events and fundraisers to foster engagement.

Computer Tech Enthusiast

I actively engage in tech meetups and hackathons, where I work on innovative projects and collaborate with peers. Enthusiastic about all thing's tech, from building custom PCs to staying updated with the latest technology trends.
